Schoology Parent Access

What Is Schoology?

Holly Area Schools uses Schoology (pronounced Skool'uh-jee), an award winning Learning Management System that offers our students the opportunity to see assignments and grades, participate in group discussions, interact with teachers and other students, track their progress, turn in assignments, monitor progress and homework due dates, plus much more. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

Schoology makes it easy for parents to stay involved in their children's education.

Once you have a School Parent Access Account, you will use the following link to log in: [Schoology Parent Access](#).

Haven't created your parent account yet? Follow the steps below!

apps.schoology.com

- Click **Schoology Parent Access**

If you haven't already created an account, follow the instructions further down the page.

You will need an access code to set up the account. If you did not receive an email, please contact your student's main office for assistance.
